

MEETINGS & WORKSHOPS

Picture your **meeting** in a barn structure that has been a part of the rolling farmland and mountain-scape of Rockbridge County for over 100 years. Picture your **workshop** in a large room with warm wood tones and a custom stone fireplace. Picture **yourself**, inspired in a unique room with beautiful slanted ceilings that once was a hayloft, now repurposed as a meeting space.

The Heartstone Lodge offers two exceptional meeting rooms indoors, and also numerous outdoor spaces for break-out sessions and relaxing.
